

Great Lakes Institute of Management, Gurgaon gets AICTE approval

Great Lakes Institute of Management, Gurgaon has got AICTE approval for the one year full time PGPM and the two years full time PGDM (PGPME) program. PGPM is a one year full time program for professionals with 2+ years of experience. The PGDM is a 2 year full time management program with additional specialization in Energy domain area offered apart from functional areas of Marketing, Finance and Operations.

The Class of PGPM 2016-17 will commence shortly in the 7.2 acre campus which is located just off NH8 close to Manesar and is easily accessible from the corporate hubs of Gurgaon and Delhi. The Campus will be fully residential with Wi-Fi enabled, air-conditioned hostels to ensure students coming from all over the country have a comfortable stay and a great peer learning experience. The campus once fully developed will have world class facilities including state-of-the-art classrooms, auditorium, digital resource center and library, student lounges, amphitheater, recreational and sports facilities. The campus would enable a vibrant 24*7 active culture and nurture the next generation of business leaders.

With the campus facilitating a world class experience and the AICTE approval, the Institute is set to launch on a growth trajectory towards becoming a top business school in India and a preferred destination for students, faculty and corporate stakeholders.
