INSIDE CAMPUS

Great Lakes Gurgaon Achieves Prestigious 'Double Crown' Accreditation

Within just 16 years of its inception, Great Lakes, Gurgaon has earned the rare distinction of being among the youngest B-schools in India to achieve the coveted **"Double Crown"** of global accreditations—AMBA (2019) and AACSB (2026).

With the conferment of AACSB accreditation, widely regarded as the global gold standard in business education, the institute now joins an elite group of only 15 B-schools in India to hold both accreditations. Marking this significant milestone, **Mr. Prathap Das**, Regional Head – South Asia, AACSB, formally presented the accreditation certificate to the leadership team, making the occasion even more memorable.

YOUNGEST B-SCHOOL IN INDIA WITH DOUBLE CROWN

GREAT LAKES, GURGAON 16TH FOUNDATION DAY

Great Lakes Institute of Management, Gurgaon, celebrated its **16th Foundation Day** with an inspiring gathering of faculty, staff, students, and alumni. The occasion served as a moment to reflect on the institute's remarkable journey while reaffirming its commitment to continued growth and excellence.

Dr. Jones Mathew, Principal and Head of the Institution, traced the institute's journey from vision to ecosystem, framed AI's impact on management education, and outlined three priorities AI focus, collaborative culture, and purpose-driven leadership. He also emphasised culture as the key advantage and recognised faculty as the backbone.

Mr. Mohan Lakhamraju, Chairman spoke on adaptability in an increasingly uncertain world. Encouraged students to stay agile, embrace change, and build meaningful networks anchored in values and shared responsibility.

The 16th Foundation Day reaffirmed the institute's commitment to excellence, leadership, and innovation—reflecting its vision, resilience, and collective spirit, and underscoring that institutions are built on people, shared purpose, and the courage to evolve.

The Chief Guest and alumnus (PGPM 2013), **Mr. Rohit Singh**, Head of Growth & Marketing at RP Sanjiv Goenka Group, reflected on his journey from campus to leading digital brands, highlighting resilience, adaptability and disciplined execution.

“He encouraged students to embrace discomfort as a catalyst for growth, commit to continuous learning, and invest in relationships that endure beyond graduation..”

The event honored faculty and student excellence with awards, followed by cultural performances. The celebrations concluded with interactive activities and networking.

AWARDS & HONOURS

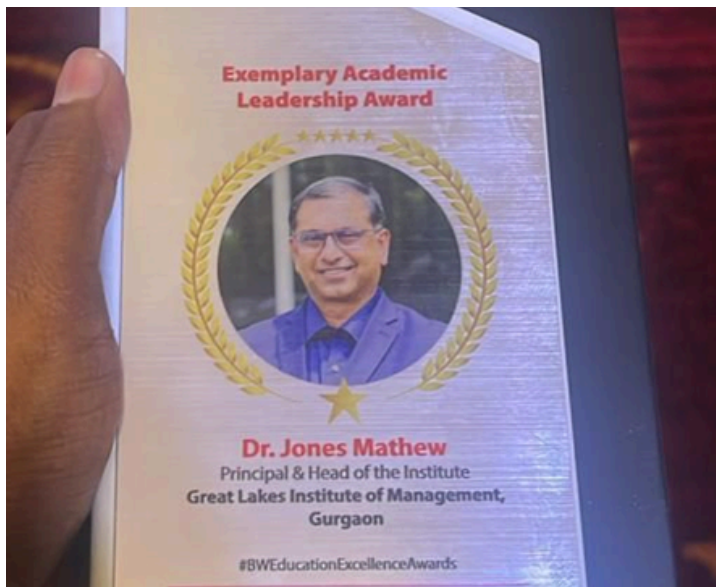

Most Promising Business Analytics Institute

Great Lakes, Gurgaon was honored at Academic Insights Education Excellence Awards and Summit 2025.

Best Use of Artificial Intelligence in Education

Great Lakes, Gurgaon was honored at BW Education India Smart University Awards 2026

Dr. Jones Mathew was honored with the Exemplary **Academic Leadership Award** at BW Education Excellence Awards 2026 in Bangalore.

Dr. Jones Mathew was honoured with the **Visionary Leader in Higher Education** award at the Financial Express Education Summit 2026.

From Local Wisdom to Global Impact

AICTE Training and Learning (ATAL) Vaani Workshop

Great Lakes Institute of Management, Gurgaon, in collaboration with FORE School of Management, Delhi, organized **AICTE-ATAL VAANI Workshop** titled *"From Local Wisdom to Global Impact: Sustainable Production, Responsible Consumption & Business Strategies for an Atmanirbhar Bharat,"*

The two-day workshop witnessed participation from around 58 academicians, researchers, and practitioners from across the country. The program featured 10 topics by 10 Experts.

The program featured distinguished speakers from academia and industry, who delivered insightful sessions on ESG practices, circular economy, life cycle assessment, green supply chains, sustainability reporting, procurement strategies, and emerging digital technologies such as XR/VR. The workshop provided participants with practical exposure to sustainability-driven business strategies and highlighted the importance of integrating environmental, social, and governance principles into operations and supply chain management. It also strengthened collaboration between academic institutions and industry experts to support India's vision of sustainable and self-reliant growth.

River
Cleaning
Drive

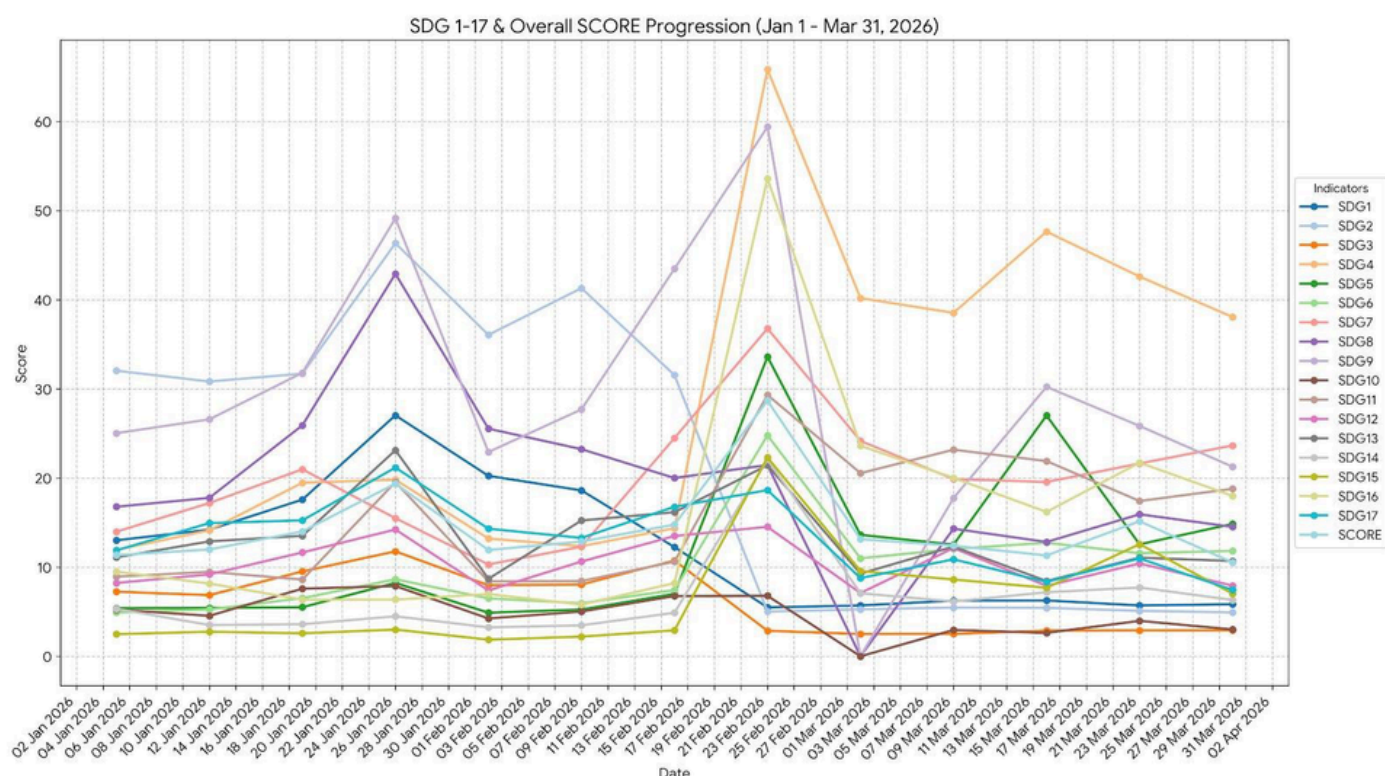

As a part of KarmaYoga, Great Lakes students visited Saraswati Shishu Mandir in Dhaknoli, Mehalchauri. Prof. S. K. Palhan, Founding Director of GLIM and IQF Trustee, was felicitated by the school leadership and local community members—marking over a decade of meaningful partnership in education and village development.

During the visit, GLIM students conducted a drawing workshop on the theme “Clouds & Rain,” where children expressed their creativity using simple materials while connecting with their natural Himalayan surroundings. The enthusiasm of the children was truly inspiring, as each one participated with pride and joy. The visit also included a riverbank clean-up drive, where students, volunteers, and local children came together to remove plastic waste and transforming the activity into a hands-on lesson in environmental responsibility and reinforcing the value of collective action through small, consistent efforts.

SCORE INDEX INSIGHTS

The SCORE (Sustainability Content Occurrence and Relevance Evaluation) Index is an indigenous product developed by the Centre of Excellence for Sustainable Development at Great Lakes Gurgaon. The SCORE Index reflects the extent to which business media promotes sustainability awareness through its coverage. Between January and March 2026, business dailies demonstrated strong engagement with sustainability themes, particularly around climate policy, economic growth, and green technology. SDG 4 (Quality Education) and SDG 8 (Decent Work & Economic Growth) emerged as dominant areas, with sharp peaks in late February (SDG 4 >65; SDG 8 ~60), largely driven by narratives linking these goals to business opportunities, workforce development, and institutional investments.

Key Highlights

- Climate policy & finance gained global traction: Strong focus on governance, climate finance, and green industrial policy.
- India's narrative skewed toward growth-led sustainability: Emphasis on education, clean energy, and ESG.
- Economic SDGs dominated visibility: SDGs 4, 7, 8, and 9 led in coverage.
- Biodiversity themes remained weak: SDGs 14 and 15 saw consistently low attention.
- Social equity SDGs lagged: Limited focus on poverty, health, and inequality (SDGs 1, 3, 10).
- Climate action coverage was uneven: SDG 13 spikes were event-driven and finance-centric, with limited focus on adaptation or justice.

CAMPUS LIFE

3rd Industry–Academia Interface Conference

on Logistics and Warehousing

"Reimagining Operations with AI"

Organized by **Great Lakes Institute of Management, Gurgaon** in collaboration with the **Warehousing Association of India**, presented by **OPUS – The Operations Club**

KEYNOTE ADDRESS

Dr. Sunil Luthra

Director, All India Council for Technical Education (AICTE)

Dr. Luthra discussed industry challenges, the rise of AI in redefining operations, and the crucial role of worker well-being. He emphasized AI's transformative impact on operations, skilling, and the future of work — with a focus on responsible and human-centric adoption.

INDUSTRY ADDRESS

Mr. Seshu Kulkarni – WAI

Mr. Kulkarni shared industry perspectives on the warehousing sector and emphasized the need for collaborative efforts between industry bodies and academic institutions to strengthen skills and employability.

Following the success of the last two editions, this year's conference continued to foster collaboration between industry leaders, academic experts, and students, highlighting key developments and future opportunities in the logistics and warehousing sector.

Panel Discussions

Two thought-provoking panel discussions anchored the conference, bringing together diverse perspectives from industry and academia.

PANEL 1

AI in Operations & Supply Chain

Focusing on how organisations are adopting AI across planning and execution, the governance choices needed to manage risk and accountability, and what these shifts mean for the future of work — highlighting that AI's value lies in solving the right business problems.

PANEL 2

Designing Humane AI in Manufacturing

Exploring how manufacturers can capture performance improvements from AI while proactively reducing worker strain and ensuring that AI-enabled productivity remains psychologically, physically, and socially sustainable.

CASEBOOK LAUNCH

OPUS Casebook Series

A highlight was the launch of a **comprehensive Casebook Series** by Dr. Jones Mathew — eight curated volumes covering operations management, supply chain strategy, logistics, and warehousing, integrating interview-oriented insights to bridge classroom learning with real industry expectations.

SAP × GREAT LAKES

2-DAY EVENT

HackFest 2026

The First-Ever SAP-Powered MBA Hackathon

Strategy Meets Technology

A flagship collaboration between **SAP** and **Great Lakes Institute of Management, Gurgaon** — bringing together **115 MBA participants**, industry leaders, and faculty to solve real-world business challenges.

DAYS

1st

EDITION

1

Day 1 – Inauguration & Sprint

Ceremonial launch and hackathon kickoff

Dr. Jones Mathew delivered the welcome address and set the context for the hackathon.

Mr. Rahuul Sachdev (Director & Head, SAP University Alliances) and Mr. Venkat Raman L (Development Architect, SAP Labs India) shared their industry perspectives with participants.

The keynote by Mr. Vaibhav Bhutani, Founder & CEO of Just Just AI, explored the evolving role of management professionals in an AI-driven ecosystem.

Following the formal ceremony, the hackathon sprint commenced. Teams began working on live industry problem statements, translating business frameworks into technology-enabled solutions. Industry and faculty jury members engaged directly with teams during review windows, providing real-time feedback.

2

Day 2 – Evaluation & Culmination

From ideation to validation

Day 2 marked the transition from ideation to validation. The morning began with faculty and alumni interactions, followed by the Jury Brief aligning evaluation benchmarks. During the Evaluation Rounds, participants demonstrated strategic clarity, technological integration, financial feasibility, and implementation roadmaps.

The jury's industry insights, probing questions, and constructive feedback added rigor and real-world perspective to the competition.

Learning from the Best

Masterclass on “How to Succeed in the AI Economy”

Great Lakes, Gurgaon hosted an engaging masterclass with distinguished academicians, **Dr. Mohan Lal Agarwal** (University of East London) and **Dr. William Koehler** (Regis College). The session offered a sharp and insightful overview of the evolution of AI, its expanding role across industries, and its implications for early-career MBA graduates. The discussion provided participants with a clear, thought-provoking perspective on navigating and succeeding in an increasingly AI-driven world.

Guest Session on “Corporate Bond Markets”

Raman Chandna, Director at Avendus Wealth Management Private Limited, delivered a session on “Corporate Bond Markets”. He has over 18 years of experience in wealth management and capital markets, Raman has advised ultra-high-net-worth families, founders, and family offices on capital allocation, portfolio construction, and long-term wealth creation. He shared his perspectives on corporate bond markets, complemented by real-world insights from the capital markets ecosystem.

He has previously held leadership roles at Kotak Private Banking, Edelweiss Wealth Management, and the Sona Group Family Office, bringing deep insights into how wealth is built and managed across market cycles.

Conversations that Shape Careers

Navigating the E-commerce & Quick Commerce Landscape

Our latest Career Talk with **Kumar Harshdeep**, moderated by Nitin Verma, GM – Admissions & Marketing at Great Lakes, Gurgaon offered a power-packed session on thriving in today's dynamic e-commerce ecosystem.

From understanding unit economics to embracing the “hustle mindset,” the session unpacked what it takes to succeed as the industry rapidly transitions from traditional models to Quick Commerce. and highlighted key insights on the global versus Indian evolution of Quick Commerce, explored career pathways in Category Management and Product roles, and unpacked what sustainable growth will look like in 2026 in an increasingly competitive and fast-paced digital ecosystem.

What Your Boss Is Actually Thinking”

The Career Talk with **Gautam Duggal**, Senior Vice President – HR at Citi, moderated by Himanshu Miglani, Brand & Content Marketing Manager, Great Lakes, Gurgaon.

The session unpacked the unspoken dynamics of the corporate world—why hard work alone doesn't guarantee growth, how job hopping is viewed at senior levels, the importance of managing up through strategic visibility rather than office politics, and the one human skill that will remain irreplaceable in an AI-driven future. An unfiltered conversation that goes beyond textbooks and designed to help you think, act, and grow differently in your career.

Bhavna Jha (PGDM 27) secured Top 5 position in Smart Beta: Finance Case Competition, organized by the Indian Institute of Management Rohtak.

WHAT'S NEW

International Women's Day

Celebrating You: Beyond Words, Into Well-being

This International Women's Day, our campus chose to celebrate in a way that truly matters—by putting well-being into action.

From hosting a dedicated health and cancer screening camp to creating space for care and awareness, the day was a reminder that well-being isn't just something we talk about—it's something we practice.

We wrapped up the celebrations with a team lunch—a simple yet meaningful pause to step away from our desks, connect with one another, and appreciate the incredible community we are part of.

Here's to celebrating not just achievements, but people.

ALUMNI CORNER

ALUM REMINISCENCE '26

WHERE MEMORIES FOUND THEIR WAY BACK

Alum Reminiscence '26 wasn't just an event, it was a heartfelt celebration of friendships, journeys, and the lifelong bond with Great Lakes. Some connections never fade; they simply wait for moments like this to come alive again.

It was not just about looking back, it was about reconnecting, celebrating, and carrying the Great Lakes spirit forward.

From familiar corridors to even more familiar faces, the campus transformed into a vibrant space of nostalgia and joy. The day began with warm reunions over high tea, setting the tone for a truly special gathering. An inspiring address by **Dr. Jones Mathew** beautifully reinforced that alumni will always remain an integral part of the Great Lakes story.

We were privileged to hear thought-provoking insights from our esteemed Chief Guests, **Varun Bagga** and **Sindhu Sharma**, who highlighted the strength of alumni networks and the importance of giving back. The occasion was made even more special as we celebrated our 10-Year Alumni Awardees, applauding their inspiring journeys and enduring connection with the institute.

From heartfelt interactions with faculty and laughter-filled lunch conversations to electrifying cultural performances, the day seamlessly blended nostalgia with celebration. A special musical performance by our talented alum Sahil Riyaz added to the magic, while spirited sports matches between alumni and current students rekindled the competitive energy that once defined campus life.

CELEBRATING ALUMNI EXCELLENCE!

From Great Lakes to Global Impact: Pramita Polley's Rise to Vice President

We are proud to share that Great Lakes alumna **Pramita Polley** (PGPM 2019) has embarked on a new professional milestone as Vice President - Product Manager at Swiss Re.

This achievement is a testament to Pramita's deep expertise in product management and her continued growth within the global insurance and reinsurance landscape. Her journey reflects the impact of strong capabilities, strategic thinking, and consistent excellence.

From Vision to Leadership: Siddhartha Dhar's Rise to Executive Director at Wells Fargo

Great Lakes alumnus **Siddhartha Dhar** (PGPM 2016) has taken on a new role as Executive Director - Product Management (AI Platforms) at Wells Fargo.

Siddhartha's journey reflects a powerful blend of innovation, leadership, and a passion for building impactful, AI-driven products. His continued growth is a testament to his ability to drive transformation at the intersection of technology and financial services.

CELEBRATING ALUMNI EXCELLENCE!

Be part of the movement. Support local. Shop smarter.

Our alum **Nagmani Jha** (PGPM 2019) is turning a powerful idea into reality with the launch of his new venture, **Lokbazar**—a platform built on the principle of empowerment, not commissions. Lokbazar is more than just an app; it's a movement to digitize local neighborhoods and strengthen the backbone of our communities—small retailers. By connecting customers directly with their trusted nearby stores, the platform brings everyday essentials to your fingertips while ensuring local businesses thrive in a digital-first world.

Now live on the Google Play Store, Lokbazar offers a seamless way to shop from familiar stores with just a few taps. You may download the app here - [link](#)

it is officially recognized by the Department for Promotion of Industry and Internal Trade (DPIIT) under the Government of India's **#StartupIndia** initiative

From Analyst to Director: A Journey of Ownership and Impact

We are proud to celebrate the remarkable achievement of our alum **Mandar Peshwe** (PGPM 2020), who has been elevated to the position of Director, Value Enablement at Mastercard.

Joining Mastercard as a Senior Analyst in 2022, Mandar's journey to Director in just a few years is a testament to his unwavering commitment, strong ownership mindset, and ability to execute with calm precision under pressure. His growth reflects not just professional excellence, but also the kind of leadership that inspires trust and drives impact.
