

## Great Lakes Institute of Management, Gurgaon hosts 'SAPIENCE - 2016'

Great Lakes Institute of Management, Gurgaon hosted its Annual Management Conclave 'SAPIENCE - 2016'. The theme of the conclave was – 'Building Sustainable Businesses through Profitable Growth'. The conclave witnessed 23 eminent industry leaders participating in the panels and discussing sectors of the economy where sustainable growth is desirable. While delivering the keynote address, Hitesh Oberoi, Co-promoter, Managing Director and CEO - Info Edge (India) highlighted that, "it is important to understand the factors that differentiate companies that are able to build sustainable business from the companies that are not able to". Further, he shared his experience from the journey of Naukri.com the aspects that are essential for running a profitable business.
