

AMBA UK accredits Great Lakes Gurgaon for its management programmes

Great Lakes Institute of Management, Gurgaon has been awarded global accreditation by Association of MBAs (AMBA), UK for its management programmes that focus in Internet Businesses, Analytics, AI and Machine Learning. It has also been ranked among the top five emerging business schools by National HRD Network (NHRDN). AMBA has accredited over 240 business schools in over 70 countries for various MBA, DBA and postgraduate degree programmes. AMBA follows a rigorous assessment criteria to select the institute that demonstrates the best standards in teaching, curriculum, and student interaction.

With AMBA accreditation, Great Lake Gurgaon has joined the league of elite B-schools of the world such as IIM Calcutta, IIM Lucknow, XLRI, MDI Gurgaon, SP Jain Mumbai, etc. Great Lakes' Chennai Campus had previously been recognised as the youngest campus to receive the AMBA, UK Accreditation in India.

"It is a significant milestone for the institute. Great Lakes Gurgaon is a new age institution for business courses and AMBA accreditation makes our case stronger in establishing ourselves as a globally recognised B-school. We have achieved this with the support of faculty members, focus on quality of education and catering all the business requirements in areas such as Internet Businesses, Analytics, AI and Machine Learning," Debashis Sanyal, director, Great Lakes Institute of Management, Gurgaon.
