MESSAGE FROM THE CHAIRMAN, GREAT LAKES IEMR
GURGAON

Dear Recruiters,

Welcome to Great Lakes, Gurgaon.

Great Lakes, Gurgaon is a holistic competency building centre which takes our students through a 360-Degree education system to develop them as complete professionals. For instance, we not only teach them quality but make them quality conscious, by activating and sharpening their left as well as right brain. As graduates of this Institute, they will approach real world problems from a holistic perspective being capable of meticulously going into details without losing the big picture.

With our global affiliations and pool of international faculty and Industry experts, our focus has always been to impart management education such that the candidate not only gets to learn from the best international practices but also understands how this global exposure can be applied to Indian situations. This is perhaps one reason why the PGPM program at Great Lakes is so well recognized and established in the industry. Our presence in Delhi NCR brings us even closer to an active academic engagement with the industry in terms of industry lecture series, policy debates, business case studies and placements.

The PGPM Class of 2013 at Great Lakes, Gurgaon is aptly called ‘Crusaders’ for their ability to face tough challenges and conquer them with determination. The selection for this class was through a very stringent evaluation process involving their CAT / GMAT scores, analytical writing tests and personal interview. With a minimum experience of 2 years, the class of Crusaders has an average work experience of 4 years, most of them being engineers. Their previous companies exhibit a rich diversity and include most of the leading names in the industry such as TCS, Wipro, CTS, Infosys, BNP Paribas, Educomp, GE, HCL, Hitachi, HP, ONGC, GMR, Genpact, Piramal Healthcare, ICICI Bank, Capgemini, Accenture, etc.

Our economy is at a fascinating crossroad, with opportunities galore but not without tough challenges to scale. The need for companies today is management talent - that is business ready in complex environment, from day one. Armed with the Great Lakes experience, I am confident that the class of Crusaders will be a right fit for your organization and its objectives.

I thank you for your time and interest and look forward to seeing you at Great Lakes, Gurgaon.

Dr. B. S. K. Naidu
Chairman, Great Lakes IEMR, Gurgaon
Ph.D, D. Engg. (USA), M.Tech., B. E. (Hons), FNAE, Hon.D.WRE (USA)

Dr. B.S.K. Naidu served as the Director General of the National Power Training Institute (NPTI), Central Power Research Institute (CPRI) and Reliance Energy Ltd. (REL). His Leadership at NPTI has been made the subject of a case study on “Transformational Leadership” for MBA students and he has also been one of the models of study on Human Excellence at IIM, Ahmedabad.

Dr. Naidu was the key architect of National Perspective Plan for R&D and National Training Policy for the Power Sector. A double Doctorate in Engineering and Management, he is a Fellow of the Indian National Academy of Engineering comprising country’s most distinguished engineers and scientists. He has authored over 150 publications including several books. He has won 16-individual awards (national & international), the latest being the highest honour of the American Academy of Water Resources Engg., bringing him to the clan of 30-most eminent scientists in the world.

Dr. Naidu led NPTI, CPRI & REL to 6-Institutional awards besides representing India at many International fora including his lead speech addressing the UN General Assembly and the First GEF Assembly. Dr. Naidu was also a Senior Advisor to the Advanced Engineering Associates International Inc. (AEAI) headquartered in Cambridge, Massachusetts, USA. He is an acclaimed thought leader who has a unique way of mapping management thoughts with engineering acumen. He has addressed more than 37,000 intellectuals so far, including his 70-Guest Lectures abroad, across five continents, as a transnational speaker.
MESSAGE FROM THE DIRECTOR - PGPM

Dear Recruiters,

Welcome to Great Lakes Institute of Management, Gurgaon.

What defines a great business school? In simple words, it has to be the learning experience which a candidate goes through. This encompasses the faculty and their pedagogy, the curriculum and its relevance, the exposure and its importance. Having been associated with leading business schools for decades, I can safely say that the Great Lakes experience is unique and more importantly, impactful.

What must modern managers have? This is a question that has bothered academicians, industry champions and policy makers alike. We, at Great Lakes Institute of Management have pondered over it and have perhaps, found the right answer. In our opinion, modern managers must have Global mindset but Indian roots and this forms the firm tenet of our pedagogy at Great Lakes.

The focus of our one year program has been to create managers who understand industry requirements, what the future is and how well they can adapt and adopt. The course curriculum is concise, focused but well balanced both in terms of learning as well as teaching. There is an apt mix of quantitative techniques, analytical reasoning and intuitive explanations. The faculty is a mix of visiting and adjunct faculty from top International B-Schools (such as Kellogg, Stanford, Harvard, IIT Chicago, Columbia, Yale etc.), the best of Indian schools (IIMs, SP Jain, XLRI, MDI, etc) as well as CEOs and other industry experts. Being located in NCR, we leverage the locational advantage to its fullest via regular industry interactions and frequent policy debates.

If you want managers who understand India and are ready to take you to unscaled heights, partner with us. Let us help you get there.

Prof. Bappaditya Mukhopadyay
Director – PGPM, Gurgaon

Dr Bappaditya Mukhopadhyay obtained his PhD from the Indian Statistical Institute, He has been a Professor of Finance at the Management Development Institute at MDI. He is Managing Editor of the Journal of Emerging Market Finance. He has also taught as visiting faculty at the Vienna School of Economics and Business Administration, Austria, University of Auckland, New Zealand, Indian Institute of Management, Kolkata, Indian Institute of Management, Lucknow, Indian Institute of Management, Bangalore, Indian Statistical Institute, Delhi and University of Ulm, Germany.

Dr Mukhopadyay is one of the leading authorities on risk management and is a special invitee on the risk management committees of several leading institutions including IFCI, Punjab National Bank, etc. He is also a member of the index committee at NCDEX.
