

11th Great Lakes- International Entrepreneurship Conference

Great Lakes hosted the 11th International Entrepreneurship Conference on 21st February 2019 at campus. Organized every year by the Centre for Innovation and Entrepreneurship Committee at Great Lakes, this year's conference was based on the theme 'AIMLAB - For the world going from Zero to One'. The speakers for IEC included Guest of Honor Mr. Amol Dhondse, Master Inventor, IBM India Software Labs, Keynote address by Mr. Siva Namasivayam, co-Founder and CEO, SCIO Health Analytics, an EXL company, Mr. Kirthivasan, Virtusa Leader to highlight on Virtusa – AGBI Collaboration. The inaugural ceremony took place in the presence of Dr Bala, Dr Vaidy, faculty, staff and students followed by Coffee Table Book Launch – Regaining Paradigm by Dr. Bala and guests. Dr. Narasinga Rao's family was also present to hand over cash prize for winners from several IEC competitions held in last few months. The conference concluded with AIMLAB – Into your business workshop by Mr. Arvind Srivatsan & co from Paypal India.
