### **About Great Lakes PGDM:**

The PGDM program has a clear focus on emerging economies and their growth. An AICTE approved program, PGDM offers a unique and nonpareil coverage of the economies of China, Far-East, Latin America and Africa in comparison to the India growth story. The PGDM has been designed by the Great Lakes Academic Advisory Council, which comprises the best in the world of managerial academia. This, in turn, has been streamlined with inputs from the Institute's illustrious Business Advisory Council, to keep it in sync with the needs of an ever-changing marketplace. The course helps the students to develop into business-ready managers, capable of responding to complex business requirements that arise in a changing global business environment.
