

### **Students of Great Lakes receive an additional AMP from Bordeaux University, France**

It was a moment of joy and pride for 31 Great Lakers and their parents alike during the graduation ceremony at IAE Bordeaux University School of Management, France, that happened on May 13, 2016. The students completed Advanced Management Program (AMP) in European Business Administration and graduated with flying colours. In addition to their degree from Great Lakes, these 31 students will now hold an additional AMP from University of Bordeaux. The AMP is a part of Great Lakes MOU with IAE Bordeaux University School of Management.

The IAE Bordeaux batch of Great Lakers for the academic year 2016 consisted of 16 students from Post Graduate Program in Management (PGPM), 7 students from Post Graduate Diploma in Management program (PGDM) from Great Lakes Chennai campus, and 8 students from Great lakes Gurgaon campus.

Dr. Bala V Balachandran, Dean & Founder of Great Lakes was present at the graduation ceremony. He met the graduating class and congratulated the students. Dr. Bala along with Dean Dr. Serge Everett and the Program Director Dr. Pedro of Bordeaux University handed over the certificates of completion to the students. While congratulating the students, Dr. Bala said, "Great Lakes has continuously been working towards its motto of 'Global Mindset Indian roots' and our association with Universities such as Bordeaux is a great example of this." With this global experience and the relevant curriculum that the students of Great Lakes have been exposed to, I am positive they will be a value add to any organization, Dr. Bala added.

Great Lakes is one of the few top B-Schools in the country that offers a dual MBA option from an international University.
