VIJAYAWADA: Stating IoT (Internet of Things) is the next big thing, Chief Minister N Chandrababu Naidu said youth from the state should equip themselves with the skills to be ready for the world witnessing fourth Industrial revolution.

Speaking after releasing the brochure of Great Lakes International University's new campus coming up in Sri City, Chittoor district, he said state has its doors always open for the best universities.

GLIU founder and chancellor Bala V Balachandran said the Sri City campus would commence from July and it would strive to be catalyst in transforming students into entrepreneurs.
